

Position : Production Operator
Salary : £21,840
Hours : 8 Hour Shifts
Holiday : 20 Days + Bank Holidays

Sinclair & Rush are Global Manufacturers of Plastic, Rubber & Foam Components with branches across several continents. We really do pride ourselves on our family feel, It is what makes us stand out from the crowd and why we have such long standing employees at S&R.

We currently have several exciting permanent opportunities for **Production Operators** at our Maidstone site! We need you to help us manufacture high quality vinyl dip moulded components, to the best possible standards. The hours are alternating shift patterns (Monday to Friday) of 5.45am - 2.15pm one week to 1.45pm – 10.15pm the following week.

The starting rate of pay is £10.50 per hour or £21,840.00 per annum.

Day-To-Day Duties of Production Operator

- To be able to strip parts on all machines
- Running jobs to cycle / completion
- Complete tool changes within time restraints
- Make minor machine adjustments
- Complete quality checks & ensure parts are in spec
- Production data input

Skills & Attributes for a Production Operator

- Punctuality, attendance is high priority
- Positive approach to work with a 'can-do' attitude
- Willingness to learn
- A level of physical fitness required as on your feet
- Manufacturing experience is preferred but not essential

Don't panic if you aren't sure what some of the day-to-day duties mean, we don't need experience here, just a can-do attitude and the skills we can teach you! Full inhouse training is given for the **Production Operator** role. 😊
